About Us

Established in 2005, Logik Gaya Sdn Bhd is a premier fuel supplier in Sarawak, East Malaysia. Over the years, the company has achieved constant growth and established herself in the market.

Logik Gaya Sdn Bhd provides value-added services for clients in a wide range of industries. We as a dedicated team pride ourselves with our utmost attention we pay to our clients. We strive to be more than just a provider of fuel, but rather to understand how fuel impacts our clients' businesses. As a fuel supplier, our three main goals are to assist in increasing productivity, reducing unscheduled downtime, and reducing total cost of ownership.

- Logik Gaya Sdn Bhd is an authorized petroleum distributor running business actively in central & northern Sarawak.
- Costs are kept as minimal as possible because of our capability to monitor, control and assess the local supply chain.
- We serve more than 300 customers. We have been in the market for more than 15 years.

ABOUT

What We Do?

Do you need a reliable, low-cost fuel distributor with availability for same or next day delivery?

Then we are here to help with all of your fuel distribution needs. We are fully authorized petroleum reseller, with our strong network of oil depots located throughout the SARAWAK, you can be sure that we can deliver your fuel at the time you require and when you require it!

We have a fleet of tankers which are constantly on the road making sure your fuel is distributed to you on time, every time.
